LUNCH-PICNIC

Branch 106 Members

The Covid Restrictions have been relaxed and vaccinations have been acquired by most of our members. Branch 106 BEC has determined we can return to somewhat normal lunch and the target date is Aug 18th. We will still have to consider any and all safety measures to keep all members safe. The SIR State Board wants all members to sign a waiver releasing the SIR organization of all Covid responsibility before allowing any Indoor SIR functions because there is no liability insurance to cover Covid. We will need that waiver signed by each member. More on this will come out before the 18th.

You're Little SIR, Terry Hartman, and his committee of Jim Evans and Dirk Minnema, have been busy finding a venue for our luncheons. They were looking for a larger room and parking to accommodate the growth of Branch 106 Membership. As most of you know, Covid has caused the costs of everything to increase due to the shortages. This includes our luncheon costs. Right now, it looks as if the cost for lunch will be \$35 at Paradise Valley Golf Course. The committee will continue working very hard to try to get our costs down. One thing they still need is for the rest of our membership to complete the survey we sent out earlier asking who will be attending the lunch and picnic. This is very important for our planning purposes, so if you have not returned the survey please do so now.

We are also planning our picnic for Sept 15th at our usual spot in Cordelia. Werner Schmid has again agreed to lead this and will be selling tickets shortly. We will be providing more information but mark the date on your calendar.

We are still looking for someone to step up and take over the monthly Newsletter Editor Position. This is a very important position to support our branch and you will receive plenty of support to get started. Step up, you might find it a fun thing to do.

Let's Stay Strong, Stay Safe and Stay Involved

SIR COMEDY MINUTE FOR JULY 2021

**SIR 106 COMEDY MINUTE
JULY 2021**

**By
Norm Roberge**

1---**Survival Tip:** If you ever get lost hiking in the forest start talking out loud about a political matter and for sure someone will show up and start arguing with you.

2---**Overheard Conversation:** I was sitting in a coffee shop when two pot head young females took the booth behind me. They were talking and I overheard one make a statement, ‘I had a pregnancy test today.’ The other pondered for a few seconds and replied, “Were the questions very hard?”

3---**Topics for Conversation:** If you’re in a tight situation and you need a topic of conversation you might want to consider one of the following:

***At a movie theatre which arm rest is really yours?

***In the word scent, is the “S” silent or the “C”?

***If people evolve from monkeys why are monkeys still around?

***Why is there a “D” in fridge but not in refrigerator?

***Who knew what time it was when the first clock was made?

Thanks Norm!

**STATUS OF BRANCH ACTIVITY FOR JUNE/JULY 2021
REPORTED BY OUR LITTLE SIR (TERRY HARTMAN)**

I have nothing new to report to our Branch Membership for this month

Until we can meet again, please stay safe and keep your family close. In the meantime, STAY WELL!
